Nice readingPar robiot6Reading ResponseSummaryThis special book is more of a surprising diary rather than a boring story. It explains the enthusiastic every day life of a cityboy called Tom Gates who (apparently)always gets genius ideas. In his diary, he explains all his fantastic ideas which makes the diary way more funny. He really likes to make awesome doodles.I know this because his diary is full of creative doodles.Tom is quite obsessed with tasty wafers which makes the book way more interesting,especially for me because I love food.In this book, Tom goes on a class trip. The aim of that trip was to find any unuasual bugs and bring them back to school. Tom finds this awesome bug full of coulors but before he took it his worst enemie Marcus snatches it away.ReactionTom Gates surprised me with all the relationship he has with his friends.For example three of his mates and him form a reat band called the dogzombies.Or the times he showed his friends how to make a proper paper banger and how to make it go bang!ConnectionI can connect to Tom because I have a little sister who annoys me a lot.The only thing that is contrary about that is that my little sister does not wear sunglasses 100% all the time. Author's styleTo do this incredible book, I think L. Pichon put most effort in her drawings.I think that the author must have been a great artist to do such amazing drawings.PredictionIn fifteen years ,Tom Gates will be in a band with his friends and be as popular as dude 3.Personal ReflectionsWith such good ideas I think the author could continue to write dozens upon dozens of other books about Tom gates.0 internautes sur 0 ont trouvé ce commentaire utile. Présentation de l'éditeurNo school for two whole weeks! (Yeah!) I can concentrate on good stuff like: band practice for DOGZOMBIES (with my mate Derek). Watching TV and eating caramel wafers. Excellent. Unfortunately a couple of small problems called the dentist and my big weirdo sister, Delia, seem to be getting in the way of my BRILLIANT plans . . .Présentation de l'éditeurNo school for two whole weeks!
